Hello,

On the 26th of August I delivered a protest petition to your office regarding the repeal of Section 28.022-00117 (the Edgewood Master Plan). I see the petition is now posted on Legistar 56839.

I'm wondering if the petition has been certified as meeting the criteria described in Sections 28.182 of the MGO. I realize this might not be your responsibility, if that is the case, then please direct me to the proper individual for my inquiry.
